DISTRICT OF NEVADA

MARK MILLER,

Case No. 3:23-cv-00370-ART-CSD

Plaintiff,

ORDER

v.

DOCTOR BARRET, et al.,

Defendants.

This is a civil-rights action under 42 U.S.C. § 1983 by state prisoner Mark Miller. The Court entered orders screening Plaintiff's complaint, allowing claims to proceed, staying this action for 90 days, and referring it to the Court's inmate mediation program. (ECF Nos. 8, 10). Plaintiff has filed a notice stating that he breathes and speaks through a tracheostomy tube that is surgically implanted in his neck. (ECF No. 11). Speaking for Plaintiff is painful, and it "is virtually impossible" for people to understand him, including prison medical staff. (*Id.* at 1–2). Plaintiff explains that he communicates by writing, and his speaking condition prevented him from meaningfully participating in mediation of another matter. (*Id.* at 2). He asks the Court to allow fellow inmate Roger Davis, #23363, to be present to verbalize his writings during the mediation conference scheduled for June 7, 2024. (*Id.* at 2–3). The Court will provide Interested Party Nevada Department of Corrections ("NDOC") an opportunity to object to Plaintiff's request, if it wishes to do so.

It is therefore ordered that the NDOC has **until May 16, 2024**, to file an objection to Plaintiff's request to have an inmate helper present during the mediation conference (ECF No. 11). Plaintiff may not file a reply.

If the NDOC timely files an objection, the Court will enter an order, set the matter for hearing, or both. But if the NDOC does not timely object, the Court will allow Plaintiff to have Roger Davis present to help him during the mediation conference without further
